# Physical Therapy **FACTS**

# Nationally Known **LOCALLY OWNED**

When it comes to your health, you deserve quality and effective care. At FYZICAL Therapy & Balance Centers, we work with you to understand your health and wellness goals and create a customized plan of care.

Our physical therapists are experts in the human body, and will use the most relevant techniques and state-of-the-art technology to decrease pain, rehab from surgery, improve balance, regain strength and so much more.

We are passionate about helping you recover quickly and safely, but we also focus on prevention. By understanding your total well-being, we can help prevent injuries.

Our mission is to help you **Love Your Life!**

**80%** of Americans will experience back pain at some point

**EVERY  
11 SECONDS**  
an older adult is treated in the ER for a fall

**Choosing Physical Therapy**  
can lower overall treatment costs by **72%**

With locations in almost every state in the country, FYZICAL allows you to receive the same great care whether you are at home or on vacation.

Our therapists are some of the most qualified and passionate individuals in the industry who receive regular advanced education from world renowned leaders in the field.

While FYZICAL is a national franchise, each clinic is locally owned & operated by practice owners who care about providing cutting-edge care in their communities.
