Orthopedic & Sports Rehabilitation & Injury Prevention

Bill,

Thank you so much for all
your hard work in helping
me reach my marathon goal!
I never could have done it
otherwise. I appreciate the
extra time (outside of therapy)
you took to answer my questions.

My memories of obtaining this
goal will always include the
guidance from you & your
staff.

I shall return! This will
not be my last marathon!

Thanks a million!!!

Juda
