DR. JONATHAN KIRKWOOD PT|DPT|OCS| Clinical Director **Board-Certified Orthopaedic Clinical Specialist**

DR. KARLA SANABIA-RENTERÍA PT|DPT| Physical Therapist

HELLO NEIGHBOR!

We hope this letter finds you in good health and spirits. It is my privilege to introduce our new privately owned and operated Physical Therapy clinic and the services we have to offer Stone Oak residents and the surrounding community.

Our goal here at FYZICAL Stone Oak is to provide exceptional 1-to-1 care to all patients and quality service to all referring providers. As we commit to providing individualized treatment plans, we understand that effective collaboration with healthcare providers like yourself, is an essential part of maximizing the patient's health and wellbeing.

We specialize in treating a wide range of conditions, including Orthopedic and Sports Injuries, Chronic Pain, Pre & Post-Surgical Care, and Vestibular & Balance Rehabilitation, and Pelvic Floor Therapy. We take pride in additional certifications in Manual Therapy & Trigger Point Dry Needling, Strength and Conditioning, and FYZICAL Balance and Pelvic Health. Our clinic will remain open to learning new and innovative ways to improve our practice so we can better serve our community.

We look forward to partnering with you to care for those in need of Physical Therapy services. Thank you for your time and consideration.

Sincerely,

Josh Vilal, PT, DPT, DCS Kula Simela Ranta, PT, DPT

Thank you!

INSURANCES

FYZICAL Stone Oak is pleased to accept a variety of insurance plans to make quality Physical Therapy accessible and affordable to our patients. We understand navigating the world of insurance can be overwhelming, so we strive to make the process as simple and transparent as possible.

We're currently In-Network with the following insurance plans:

Molina

If an insurance plan is not listed, please don't hesitate to contact us to verify whether we accept it. We also offer Self-Pay options for patients without insurance coverage and we accept Care Credit.

At FYZICAL Stone Oak, we believe patients deserve access to compassionate, high-quality Physical Therapy care, regardless of their financial situation. We are committed to working with patients and their insurance provider(s) to bring clarity and simplicity to their healthcare experience.

Please feel free to reach out to us with any questions or concerns about insurance coverage and billing.

SERVICES OFFERED

We offer a range of services in our Physical Therapy clinic to help our clients recover from injuries, manage chronic pain, and improve overall physical function.

We also offer education and guidance on injury prevention, home exercise programs, and lifestyle modifications to help patients achieve long-term success.

We currently offer the following services:

Concussion Management

Assessing, treating, and monitoring a traumatic brain injury to help rebuild endurance.

Dry Needling

Helps treat and releive pain and muscle dysfunction targeting trigger points in the muscle tissue.

Lumbopelvic Health

Optimizing function by improving the strength, flexibility, range of motion, and coordination of the abdominal, lumbar & pelvic regions.

Manual Therapy

Our hands on approach, which helps to reduce pain and improve mobility by targeting specific areas of the body.

Metabolic Conditioning

Our Physical Therapists works with each patient to develop an individualized exercise program to meet weight loss goals and help improve strength, flexibility, and endurance.
